TOUR OVERVIEW

PENCH: A magical tiger reserve also known as “Mowgli’s land”! Pench National park is named after the Pench river that flows through it! When the river recedes after the monsoon, it leaves behind green pastures, dead logs and shiny rocks which gives the terrain a unique character.

At the moment, a remarkable tigress is in the news as it has borne maximum number of live litter in the wild, a Guinness book of records holder! She has had more than 26 cubs in her lifetime! She is still bold and the dominant tigress in the main zone, Turia!

The mix of rolling terrain, ponds, dead logs, teak, bamboo and rocks gives this place a mysterious look! One never knows what is going to pop out from somewhere or you watch a pond and suddenly some wild animal shows up behind a dead tree in the pond! All very exciting!

Day 1-

Guests are picked up in comfortable Air conditioned Toyota Innova van from Nagpur. It is a 2 hour drive to Pench. Most of the resorts are around Turia gate which is the main entry gate. After check in at the resort, you will be briefed about the itinerary for the trip! Lunch and then rest for a while. Tea/coffee served in the common hall and one gets ready for the afternoon safari. After the safari, one comes back to the resort. Freshen up and either hang out in the room or go to the common area where one is served snacks and drinks till the dinner is ready. Dinner and turn in for the night.

Day 2,3&4 -

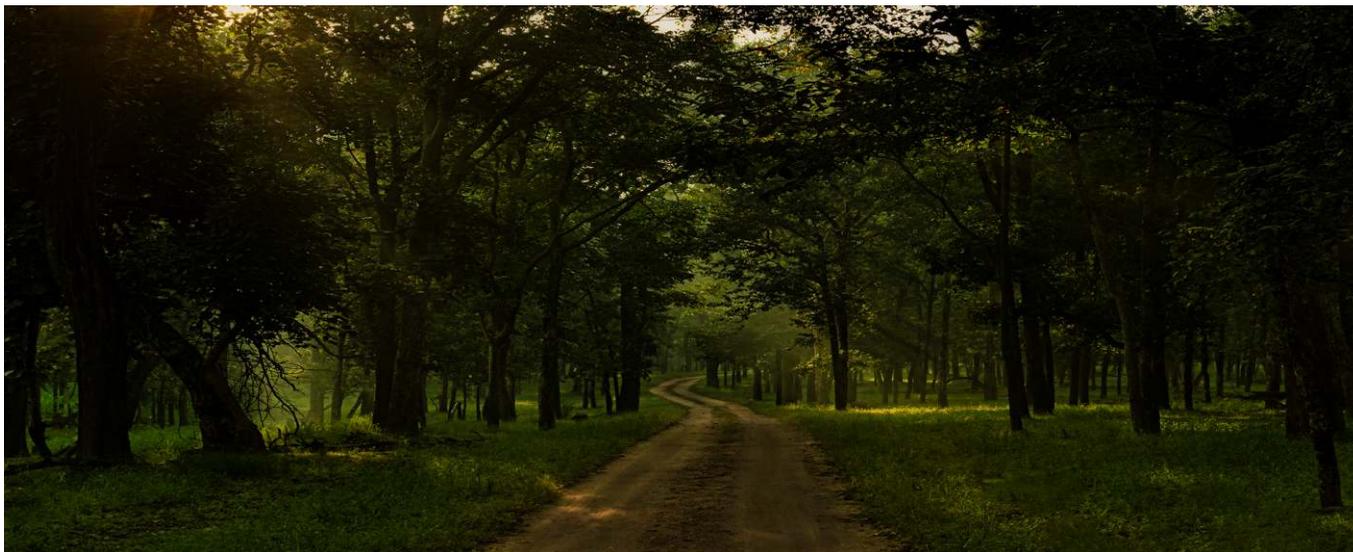

The schedule for the next 3 days will be the same. The timings of the safari are different in winters and summers and the guests will be told ahead of time about it. The gap between the morning and evening safaris is of shorter duration in the winters and longer duration in the summers.

Morning wake up call, Tea/Coffee in the common meeting place, followed by an open top jeep morning safari. You will have a packed breakfast and served at a designated dis-embarkment point inside the jungle which is very safe and commonly used by all the guests from other safari vehicles as well. You will drive back to the resort after the morning safari is

over. Rest for a while and go for lunch. Some of the resorts have different activities that you can opt for during your free time. Lunch and then get ready for the evening safari. After the evening safari, one comes back to the resort. Freshen up and either hang out in the room or go to the common area where one is served snacks and drinks till the dinner is ready.
